

U.S. National Arboretum *Full Moon Hikes*

The *Full Moon Hike* is a moderately strenuous hike to appreciate the beauty of the arboretum at night. This is not a guided tour of the Arboretum collections. The group will hike approximately four miles at a brisk pace over hilly and uneven terrain for two hours with minimal stops. Please be sure that you and your guests are comfortable with this level of activity.

To make your experience more enjoyable, please note the following guidelines:

- **Entrance will be through the R Street gate only** (off Bladensburg Road). Free parking is just inside the gate. Do not enter the New York Avenue address into a GPS system, as it will lead you to a locked gate. **For GPS, use 2400 R St. NE.**
- Please arrive 15-30 minutes prior to the start of the hike. The group will leave the building promptly at the start time. The arboretum gate will be locked at the hike start time and no one will be allowed to enter after the program has started. The arboretum gates are locked daily at 5:00 p.m. and will reopen to hikers 30 minutes prior to the start of the hike.
- **If you have registered a guest, please make sure they receive this information.** This will help them to be better prepared to enjoy the hike.
- Flashlights adapted for night vision will be carried by the guide and volunteers only. The guide will ask the group to keep talking to a minimum to enhance the experience.
- Sorry, no pets or children under 16 allowed.

Weather and Cancellations

Hikes will be held in many types of weather including light rain or snow. If the arboretum cancels the hike due to unsafe conditions or threat of inclement weather, you will be contacted by email the afternoon of the hike and offered a refund or an opportunity to reschedule. For more information, email programs.usna@ars.usda.gov or call 202-245-4523.

US National Arboretum Refund Policy: A full refund will be provided for cancellations received no later than 10 days prior to the program date and for events canceled by the US National Arboretum. We do not reschedule missed programs.
