Photography at the U.S. National Arboretum Policies, Permit, and Fee Scale

The mission of the U.S. National Arboretum (USNA) is to conduct research, provide education, and conserve and display trees, shrubs, flowers, and other plants to enhance the environment. In accordance with these objectives, the USNA grounds are open to the public. All visitors are subject to the USNA rules and regulations.

It is the policy of the USNA to permit and encourage photography within the USNA to the fullest extent possible consistent with the protection of its gardens and plant collections and the enjoyment of visitors.

USNA can not endorse or be made to appear as if it is endorsing a product or a political view.

Photographic exercises may not disrupt the flow of vehicles and pedestrians on the grounds of the USNA.

Noncommercial Photography

Noncommercial photography does not require a permit; you are welcome to explore any of the USNA's public areas. (For Wedding Photography, see below.)

Commercial Photography

Commercial Photography requires a permit and a may incur a fee. All requests for commercial photography must be submitted as far in advance as possible (at least two weeks) and must include a detailed statement of the purpose of the photography. If the request is approved and a fee is assigned, the fee must be received prior to the permit being issued.

Wedding Photography

All wedding commercial/professional wedding photography require a permit and a fee. Wedding pictures may be taken in the Capitol Columns area (within the mowed area) and the Dogwood Collection. No services, parties, or receptions are permitted. Only the immediate wedding party and photographer are allowed. Nothing may be attached to historic structures (e.g., columns, steps, etc.).

Important Information

DAMAGES: Care must be given to ensure plant materials, grounds, or facilities are not damaged in any way. Full restitution for damage to plants, grounds, or facilities is required. The USNA is not responsible for lost or damaged personal property. Please do not leave valuables in your car.

OPERATING HOURS: The USNA grounds are open 8:00 a.m. to 5:00 p.m. every day except December 25. Prior approval will be required for visitation or photography outside these hours.

NON-PUBLIC AREAS: A permit is required for access to any non-public area. A verbal permit may be provided in cases of bona fide news-gathering activities.

REFUSE: The Photographer is responsible for removing on a daily basis any refuse generated.

CANCELLATIONS: At his sole discretion, the Director of the USNA reserves the right to cancel any reservation. In such cases, all fees for the canceled day will be fully refunded.

PARKING: Parking is allowed only in designated areas. All roads must be kept open at all times for vehicle traffic. Park only on paved roads as far to the right edge of the road as possible, but not on the grass. Trailers with steps must park so that the steps face away from the roadway. All vehicles and equipment must be kept off the lawn and planted areas.

PLANT MATERIAL: Digging or planting of any plant material on the grounds is strictly prohibited unless prior authorization is received from the Administrative Officer. Absolutely NO cutting of any arboretum plant material is permitted. Nothing is to be trimmed for any reason whatsoever.

Equipment may not be set up within garden beds without USNA approval.

Plant tags are not to be removed for any reason.

VISITORS: Visitors to the grounds may not be prevented from viewing an area being used by a photographer. They may be asked, politely, not to approach during filming, but once the shot has been completed, the visitors may proceed. No public area may be closed to visitor access.

DRESSING ROOMS: Changing rooms are not available. Limited restroom facilities are available, but are not designed to handle changing activities. Use by the public of these facilities may not be restricted.

NUDITY: Under no circumstances will nudity or scantily clad persons be permitted on the grounds of the arboretum. Articles of clothing which are indecent may not be worn by an employee of the production company.

ALCOHOL: Alcoholic beverages are not allowed on the grounds and observation of the presence of such by permittee's cast or crew will result in cancellation of the shoot without any refund of fees.

PHOTO CREDIT: Proper photo credit must be awarded to the USNA. Copies and press uses of all photographs of the grounds of the USNA must be submitted to: Education & Visitor Services/U.S. National Arboretum, 3501 New York Avenue, NE, Washington, DC 20002.

NON-COMPLIANCE: Cancellation of the filming and denial of future filming privileges may result if the terms and conditions stated herein are not fully adhered to.

Application/Permit for Commercial Photography/Cinematography
U.S. National Arboretum

Applicant Name: _____ Date: _____

Contact Name: _____

Name of Company/Organization: _____

Address: _____

Phone No. _____ Fax No. _____

Please provide the name, address and phone number of the organization or company that has contracted for your photographic or cinemagraphic services, if applicable:

Date requested for photographic/cinemagraphic services: _____

Rain Date: _____

Entry time: _____ Exit time: _____

Number of people working on the project: _____ in _____ vehicles

Identify all site(s) to be used (list at least one specific site).

Itemize equipment to be used (type of camera, size, sound equipment, lights, screens, etc.).

Provide detailed description of the project (what you are proposing to photograph, the purpose of the project, the audience of the project, the number of cast and crew, etc. Be as specific and

detailed as possible). Attach additional pages if required.

Describe the manner in which the images or pictures will be used. Identify where they are to be aired or published.

Security of equipment is provided by the permittee.

All U.S. National Arboretum regulations must be obeyed. Falsification of any of the above information will result in immediate cancellation of permission to photograph with no refund. Permission is granted for the date and time indicated only and is not transferable. Locations other than those approved may not be used.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0518-0024. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

I understand and agree to the conditions above and have not falsified any information about this project.
